

Shouldn't the "Humane Society" do better?

ONLY 1 DOLLAR OF EVERY 200 DOLLARS DONATED
TO THE HUMANE SOCIETY OF THE UNITED STATES
GOES TO HANDS-ON ANIMAL SHELTERS.

The Humane Society of the United States is NOT your local animal shelter. In fact, it gives less than one-half of one percent of its \$100 million budget to hands-on pet shelters.*

Meanwhile, this wealthy animal rights group socked away over \$2.5 million of Americans' donations in its own pension plans.**

Surprised? So were we.

The dog-watchers need a watchdog.
