Dear Angie,

Congratulations on being selected for an Advocates We Love award, presented annually by The Humane Society of the United States' Puppy Mills Campaign to outstanding advocates who are making a difference in their communities to help stop puppy mills.

We appreciate how you have used your unique skills and expertise to effectively address issues related to puppy mills and homeless pets in your community. At the same time, we understand that the work you do is taxing, demanding, unpaid and often unappreciated.

I hope this plaque helps to express in our small way how much your work is noticed and valued. Keep up the good work.

Sincerely,

John Goodwin
