## Dear Friend,

You and I share a special affection for all animals. And here, in our new Catalog, you're about to discover many delightful ways to express that love—and the joy which is so much a part of it.

If you're like me, and appreciate the opportunity to get a head-start on Holiday shopping, this is the place to do it. We've included a marvelous array of brand new cards, along with some old favorites.

What's more, you're about to see a number of inventive gifts for friends and family—unique ornaments, more of our very popular Magneatoes®, personalized gifts for you and your pets, and a lot more. We've chosen everything for its quality and value. Your selections help The Humane Society of the United States with our work on behalf of animals everywhere. In fact, every purchase allows us to improve our services and outreach at a time when those efforts have never been needed more.

## Member of the Family

What would I do without you,  
My precious, furry friend?  
Part mischief, but all blessing,  
And faithful to the end!

You look at me with eyes of love;  
You never hold a grudge...  
You think I'm far too wonderful  
To criticize or judge.

It seems your greatest joy in life  
Is being close to me...  
I think God knows how comforting  
Your warm, soft fur would be.

I know you think you're human,  
But I'm glad it isn't true...  
The world would be a nicer place  
If folks were more like you.

A few short years are all we have;  
One day we'll have to part...  
But you, my pet, will always have  
A place within my heart.

## Member of the Family

What would I do without you,  
My precious, furry friend?  
Part mischievous, but all blessing,  
And faithful to the end!

You look at me with eyes of love,  
You never hold a grudge,  
You think I'm far too wonderful  
To criticize or judge.

It seems your greatest joy in life  
Is being close to me,  
I think God knew how comforting  
Your warm, soft fur would be.

I know you think you're human,  
But I'm glad it isn't true.  
The world would be a nicer place  
If folks were more like you!

A few short years are all we have,  
One day we'll have to part...  
But you my pet will always have  
A place within my heart.

H U M A N E S O C I E T Y

## DEAR FRIEND,

Welcome to a bright new year, and to this crisp new Catalog from your friends at The Humane Society of the United States.

Spring—to me, the most invigorating season of them all—is just ahead, and we've developed this colorful collection for you...and for the animals who share your life.

You and I, perhaps more than most, appreciate the friendship and love we experience with our pets, and we surely understand the importance of our animal friends' health, happiness and comfort.

That is why we have taken such care in preparing our Spring catalog.

So look around, browse, enjoy each new item (and the great old favorites, too), and make your selections now, while everything you need is right in-hand. We guarantee your satisfaction, of course, and you and your friends will be ready for Spring's arrival in grand style.

Thank you for shopping with us, and for caring about the animals who share our world.

Sincerely,

*Paul G. Irwin*

## Member of the Family

What would I do without you?  
My precious, happy friend?  
Part mischievous, but all blessing,  
And faithful to the end.

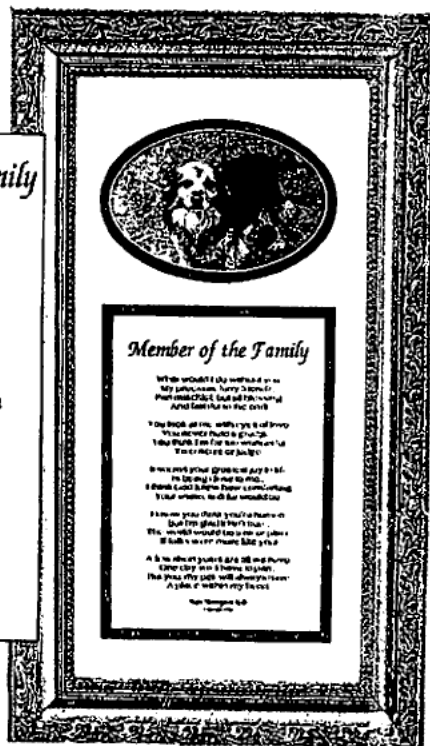

You look at me with eyes of love:  
You never hold a grudge.  
You think I'm far too wonderful  
To criticize or judge.

It seems your greatest joy in life  
Is being close to me...  
I think God knew how comforting  
Your warm, soft fur would be.

I know you think you're human,  
But I'm glad it isn't true.  
The world would be a nicer place  
If folks were more like you.

A few short years are all we have:  
One day we'll have to part.  
But you my pet will always have  
A place within my heart.
