

MICHAEL VICK: PART 1

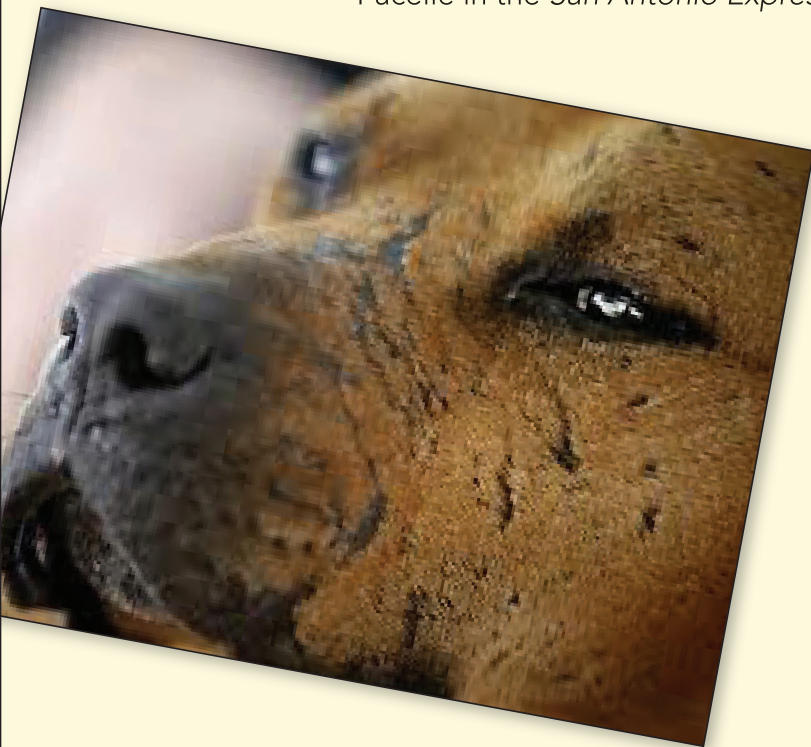

“ I have been around him a lot, and feel confident that he would do a good job as a pet owner.”

— Humane Society of the United States CEO Wayne Pacelle on convicted dogfighting kingpin Michael Vick in the *Atlanta Journal-Constitution*, December 15, 2010

“ I was misquoted. Essentially I have not had any stake or issue in Michael Vick having a dog.”

— Pacelle in the *San Antonio Express-News*, May 11, 2011

“ I did quote him saying that. We have not corrected the story, nor have we had any requests to correct it.”
